Freelance Job

I am looking for someone to draw
a fantasy picture for my collection.
I would like a centaur pulling a chariot behind it.

I have this crazy vision in my head—
that I can't seem to put on paper well
—so I am seeking the help of a talented artist.

I have this mental picture
of a "battle-ready" centaur
pulling a chariot and a young female driver
behind him.

The centaur needs to be brown
with a white male body.

Instead of having back legs,
I'd like him to have wagon wheels,
just like the wheels that would go on a chariot.

He don't need to be hold any weapons
or wearing armor.

Give him a noble look,
yet battle ready.

I want the chariot to be silver.
Instead of wheels I'd like it to have trolls feet.

Make them look like they just left a swamp.

The chariot should have a female driver
with an innocent look.

Typical blonde-haired female,
wearing something out of Victoria secret.

Give it a forest background,
A creepy Alice in Wonderland feel.

A realism art style—Make it colorful.

Masks

I need someone to custom paint masks
worn by a band named
Hollywood Undead.

it will consist in the making
of at least 14 masks.

7 masks and a duplicate of each.

price will vary but i will pay
a couple hundred easily

Fun Project For A

Ok...

my best friends want a scrapbook made of their honeymoon. There's about 300 pictures (of course you may not be able to use them all... they took the pics themselves).

There's no particular rush on the job, but we'd like to get it done by next week some time if possible.

Pay should be somewhere between

\$150 & \$200

for the project to be completed.

And if necessary
we can pay money
into escrow.

CREATIVE Person

But first
please

check out the instructions
and their requirements
for the job before bidding
so you are clear of what's needed.

They aren't anal people,
they're very

creative.

If you have questions please ask. Also—
consider your time, and creativity
when you are submitting your bid.
We are trying to be as fair as possible

so the end result will be

a win-win

for all involved!!! Thanks

Leaf Blowing / Salt Spreading

I.

Two men illustrated back to back.
one dressed in winter clothes,
the other in lighter (fall time) clothes.
They could be the same person,
but dressed to the season.
The two are holding a newly invented
portable electric machine.

one operates in the fall season
as a blower to clear leaves and debris,
and the man operating it is illustrated
with long-sleeve fall working clothes
with protecting glasses,
holding the machine in a pose
of blowing leaves off the ground.
illustration should show
leaves on the ground.

2.

The other person,
dressed in heavy winter clothes
and a head cover, using the same machine,
but this time for its second purpose,
which is spreading salt particles
towards light covered snow surface.

This time the pose is different,
and should show a stream of salt particles
being blown from the machine
towards the snow covered surface.

The machine illustration is available,
and needs to be inserted
in the hands of the two men.

Cute, but sophisticated Teddy Bear

We are looking for a graphic
artist to draw an original
mascot for our Bakery.

The Teddy Bear should be sophisticated in
that it resembles
the old time classic

Teddy Bear, yet fun and loving. Black
and white is preferred, with a possible red
heart somewhere in

the drawing, or color
graphics would be good too, if
done properly and tastefully.

The bear should look old, and a little
worn, but not too ratty. He
should look 'well loved'.

We would like the bear to remain in
black/white pencil sketch and the only part
of the bear that will be colored

will be a red shirt. On the front of the shirt,
in yellow letters, it will say "Teddy"
We want to have a colored cupcake next to "Teddy"

perhaps with pink frosting.
The bear should be happy and excited
about the cupcake . . .

and even have some pink frosting on his paw . . .
